Estimated price: \$10

Budget concious: Make your own TMK. Purchase yarn (different colors), chalk, notecards, and laminate.

Budget concious option: \$50 to \$70

More expensive: \$100 to 150.

Prices vary, recommend going to running shoe store for fitting

Outdoor Research (below) have touch screen compatibility. Mechanix are good "throw away" gloves.

Estimated price: \$20 to \$35. Do not recommend expensive gloves

Budget concious option. Recommend alarm and stopwatch function.

Estimated price: \$15 to \$35 for basic functionality

Expensive Option. Non-GPS.

Estimated price: \$200 to \$400 for advanced options

Ensure you have Red Lens capability. Recommend flip down filter.

Estimated price: \$30 to \$45 for basic functionality

Ensure you have Red Lens capability. Do not recommend Surefire since they do not use basic AA or AAA batteries.

Estimated price: \$15 to \$25 for basic functionality

Field Option: Build your own. Toothbrush cut in half, old rag soaked in CLP stuffed in a MRE beverage bag, and some q-tips.

Estimated price: \$3-5 for basic functionality

Expensive/Garrison Option: OTIS kits are good starter kits. Supplement with shaving brush

Estimated price: \$50 to \$65

Shop around. Some websites have this brand of belt (Blackhawk) for much cheaper than Ranger Joes or Commandos

Price - \$30-45

Shop around. You will swap magazines often through IBOLC and Ranger school.
Recommend buying from surplus stores and doing a PMCS on them.

For a bit better of an option, SureFeed magazines are less expensive than magpull and are of good quality. 12.99 each

Might be able to find these at surplus stores. Check to ensure threading isn't too worn.

Price new: \$13

Simple tool for shift/lift fire and other predetermined signals. Technology fails.

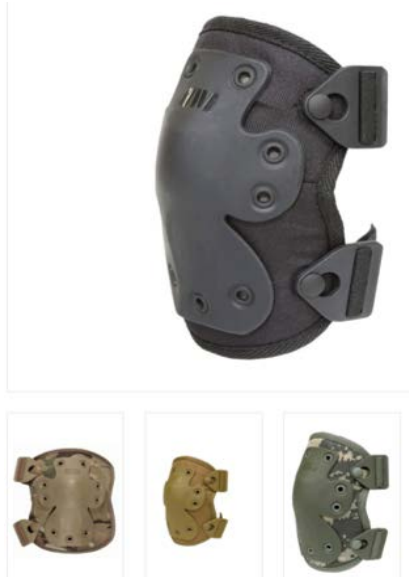

Price - \$1-3

Ensure it matches MILSPEC NSN.

Price - \$50-80

Recommend Military Colors (Black, OD, or Coyote)

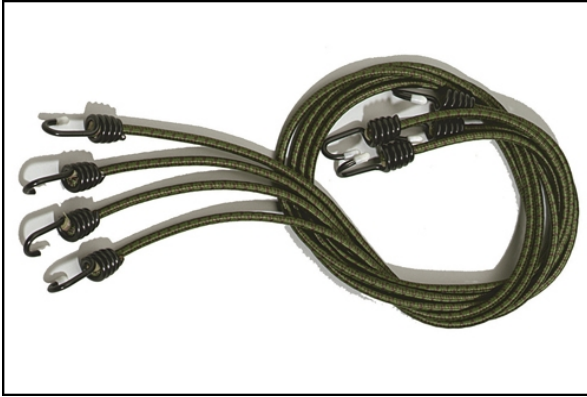

Price - \$15-30 dollars (Pictured \$25)

High Visibility Yellow. No sash. RE-FLEX recommended for placing on rucksack and around equipment.

Price - \$10

Make sure you get Black or Olive Drab. Useful for setting up hooch during bad weather

Recommend Military colors

Vickers Sling \$65-110 (pictured is 65)
